From earliest morn 'till darkest night,
For hours to long to tell,
The childcare ladies faithfully,
Keep our students safe and well.

And on the field mid-morning,
Braving soccer's battle zone,
The playground helpers watch the kids,
As if they were their own.

At last noon-time approaches,
And the childrens freshness fades,
They pass into the able care,
Of helpful lunchroom aids.

For all the daily help they've been,
Beyond the workers manual,
To these for countless acts of love,
We dedicate this annual.

Back To School

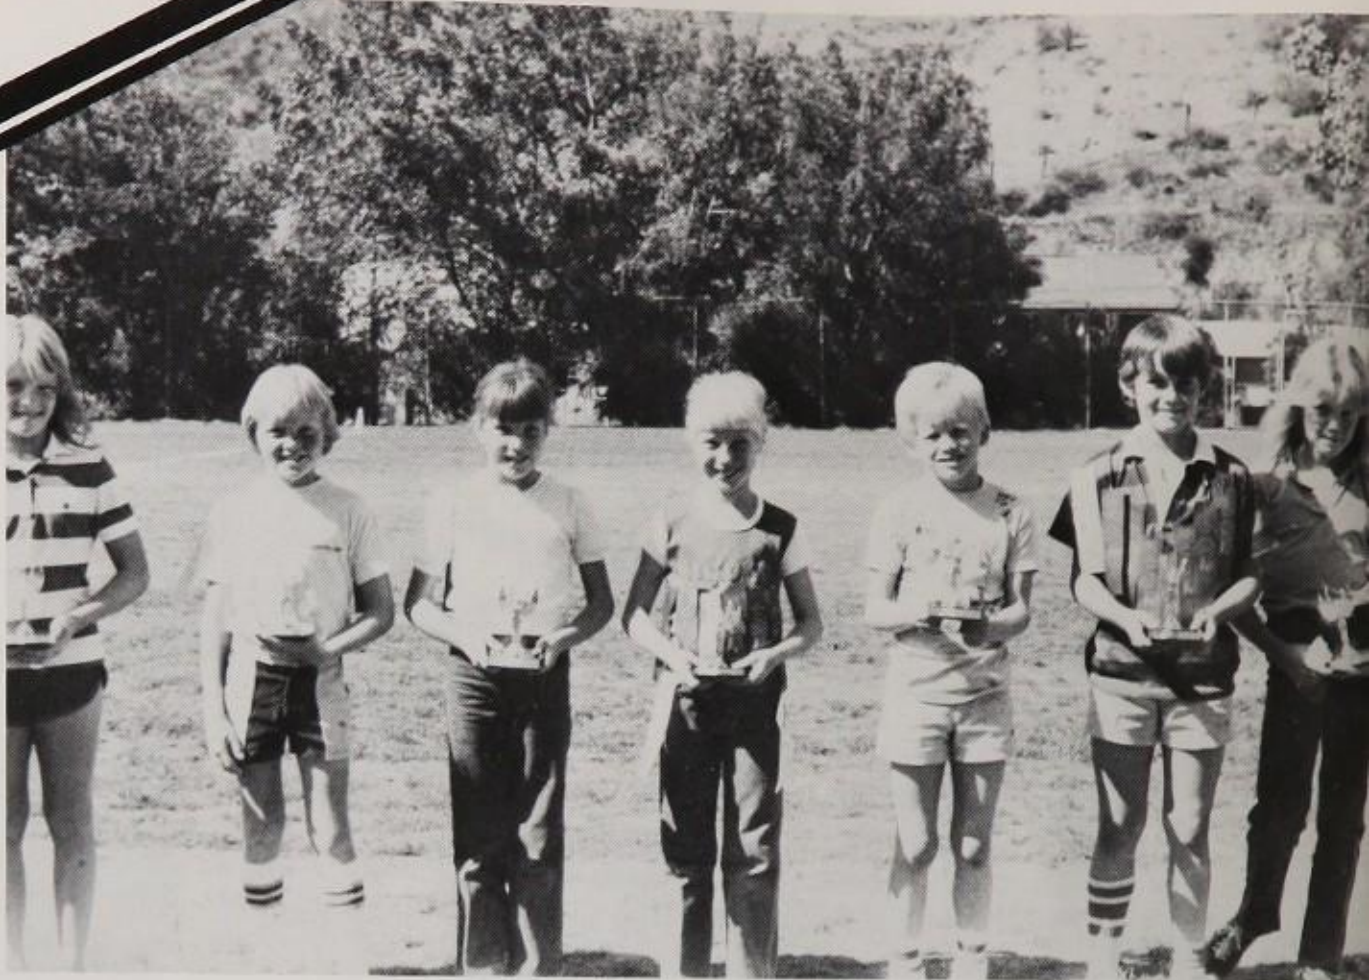

We have had a fun summer and now it is time to come back and meet our new teacher. All I can think about is how is it going to be? If it is going to be hard or is the teacher going to be nice and what my books look like. I hope that all my friends are going to be back and a lot of cute girls are there.

Lance Zavala
Room 272

Meet The Teachers

Field Day

Winners from l to r: Jennifer Knouse (Rm. 74), Andy Muxlow (Rm. 62), Sheryl De Young (Rm. 62), Nicole Forward (Rm. 44), Matthew Zeccardi (Rm. 43), Ryan Good (Rm. 74), Krista Provolt (Rm. 273)

Field Day was the funniest and greatest event this year. I won a lot of ribbons and my brother won a trophy. The hurdles were the hardest of all, but the kickball was easy. If you didn't go this year, go next year.

Mike Zeccardi
Rm. 273

Magazine Sale

I thought the magazine sale was fun, and I enjoyed it. I hope we can do it again. I also hope that we get a gym soon. A lot of people like our school, and they bought a lot of magazines from me.

Jason Baker
Room 71

The Homecoming Fair was fun.
Almost everyone came to it.

Carla Cano
Room 74

The band played very well with
the help of Mr. Schramm, and the
choir was excellent!

Dana Campbell and Cana Darby
Room 70

It had a greased-pig chase, and
hayrides. There were dunking
booths, Ring the Fish, and a sky-
diver. Man, you should have been
there!

Owen Lee

Homecoming Fair

Thanksgiving

Our thanksgiving party was neat. Our room mother brought an apple and some toothpicks to make a turkey, I would like to thank the people who brought treats. It was Great!!!!

Micheal Zeccardi
Room 273

Christmas

Parties

Christmas parties are fun! It's that time of year when the whole class gets together to trade gifts and eat goodies. The room mothers are the ones who bring all the food and puzzles, to entertain us. Thanks to them we have parties.

Elena Williams
Room 272

1. Party games enjoyed by 5th and 6th grade girls.
2. Waiting for our party treats.
3. Let's have a library party.

Spelling

1. Miss Rubottom's class in semi-finals.
2. 2nd grade winners: Courtney Malloy, Michelle Veluz, and Sylvia Skylar.
3. Elementary Winners: Top. 1 to r: Rachelle Robertson, Melissa Foley, Nikki Kinsfather, and Jennifer Breid. Middle row 1 to r: David Santiago, Aaron Cappocchi, Debbie Frank, and Marilyn Barnes. Bottom row 1 to r: Johanna Nyberg, Danielle Herrera, Patricia Grippa, and Kevin Lee.
4. Fourth grade finalists await the arrival of the first word.
5. Mrs. Lee reads rules to the third grade finalists and parents.

6. Nervous fifth graders in the finals.
7. Sixth graders in final contest.
8. Second graders in final contest.

Being in the spelling contest is quite an honor.

You spell all day long and your brain is so tired that you think it will fall out. But then you find out you are a finalist and realize it better stay there.

You call your mother and ask if you can go. She says that is really great. Of course you can go.

You come home and are excited, but very nervous. You hurry with your dinner and try to relax.

Back to school you go and see the other contestants. They look as nervous as you feel.

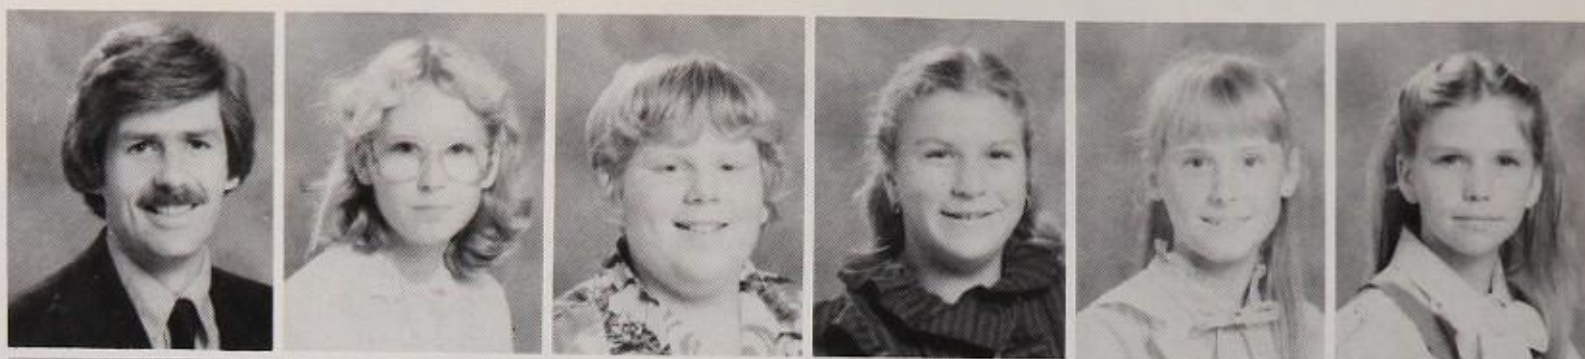

The contest has begun. Every word you try to spell in your mind. Then it is your turn. Thank you Lord, you helped me spell that one right, and the next one too. Boy I'm sure glad.

My first word wrong. Rats. One more wrong and I'm out. Now I'm really scared. Whew, got that one right. Maybe there are fewer of us now, but that does not make me feel any better. My turn again. I blew it. I'm out. Oh well, I tried.

Sports

The after school sports program is very educational and has a lot to do with Christ. We don't play around. We get out there and work. We work hard too.

Before every game we warm up, practice, and usually get a pep talk. It's lots of fun.

The after school sports range from soccer to football and we all love playing.

After school sports was a fun experience. I played flag football. I met a lot of new friends. I played a lot of games. We won a few, and lost a few, but it was fun.
Danyelle Weeks 5th grade

We had a lot of fun at after school sports. At the first of the year our coach left so we had to have Ray Emmons the leader of after school sports be our coach. After two practices we were a lot better. At our last game we had our biggest win 39-6. I played football.

Many times in our lives we are "Caught in the Act" doing many different things. Sometimes the circumstances are good and we prefer being recognized for our proper actions and reactions, but sometimes we are caught doing things that are against policy, against the rules, or found in an embarrassing situation.

This book is a token of our memories, a glimpse of our lives being exposed on film and printed. Whether right or wrong, surprised or not, they were assembled all in one place- the place? ... the Crusader Jr.
